DETAILED ACTION

Claims 1, 2 and 28 are under consideration in this application.

Claims 4, 5, 7-10, 14-18 and 21-27 are held withdrawn as being drawn to nonelected subject matter 37 CFR 1.142(b).

Election/Restriction

Applicant's election without traverse of Group II, the 1,2-thiazoles in the reply filed on June 7, 2004 is acknowledged.

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claim 1 is rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

The plural 's' on "agents" makes claim 1 read on mixtures rather than specific compounds.

Priority

Applicants are requested to update the status of the parent applications, ser. nos. 10/212,888 and 09/145,909, on page 1 of the specification. Cooperation herein is appreciated.

Allowable Subject Matter

Claim1 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, second paragraph, set forth in this Office action and if rewritten directed solely to the elected compounds.

Claim 2 is objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims and if rewritten directed solely to the elected compounds.

Claim 28 is objected to as containing non-elected subject matter. The objection may be overcome by limiting the claim to the subject matter indicated as being examinable, supra. A claim so limited would appear allowable.
